D & C Auto Glass commenced trading in 2010, with customers in mind, we are known for our amazingly **fast 24 hour** service, on the road guarantees and value for money on windscreen replacement and workmanship.

Repairing or replacing a windscreen can be such a drain especially when you need to **get back on the road fast** and that is why many businesses choose to work with us.

At D & C Auto Glass our **mobile units service the entire Perth metro area**, with short wait times and super quick turnarounds. Get set up on our system to ensure a smooth and fast service when you need it most.

We can directly invoice most underwriters with your claim number or liaise with your insurer or broker directly. This is a fast and easy process or **NOT** go through insurance at all. **APVDA members paying directly are eligible for a discount.**
